Subject: Thank You for Your Active Participation in the PTM

Dear Parents and Students,

I would like to express my sincere gratitude to all the parents and students who attended and actively participated in today's Parent-Teacher Meeting (PTM). As rightly stated in the *National Curriculum Framework for School Education 2023*, "Parent–Teacher Meetings should not be primarily about telling parents the issues and challenges being faced by their children, but about sharing what their children are learning and **the efforts being made by the school**" (NCF-SE 2023, Section 2.2.2, p. 568).

It was in this spirit that today's meeting was conducted. Your presence, attentiveness, and positive engagement made the interaction meaningful and productive. The active involvement of parents and students in the educational process is a vital factor in ensuring academic success, character formation, and holistic development.

I greatly appreciate the time you invested in understanding the academic expectations, guidelines, and plans for the Academic Year 2026–27. Your cooperation and support strengthen the partnership between home and school, enabling us to work together for the holistic development of our students. I am confident that, with your continued support and the dedicated efforts of our teachers and students, we will make this academic year fruitful, meaningful, and successful.

Thank you once again for your trust, cooperation, and wholehearted participation.
