Ref. No. CS/2026-27/C-150
Date: October 16, 2026
File: Circular to Parents 2026-27

Subject: Participation in CBSE Science Challenge 2026–27

Dear Parents,

Greetings from Christ School..!

The Central Board of Secondary Education (CBSE) is organising the CBSE Science Challenge 2026–27 for students of Classes VIII, IX and X to foster scientific temper, curiosity, inquiry, critical thinking and problem-solving skills.

The details of the challenge are as follows:

- **Organised by:** Central Board of Secondary Education (CBSE)
- **Academic Year:** 2026–27
- **Eligible Classes:** VIII, IX and X
- **Participation Fee:** No fee

Stages of the Challenge:

1. **Round 1 – School Level:** The challenge will be conducted at the school level between **2 November and 13 November 2026**.
2. **Round 2 – Inter-School Level:** Based on their performance in Round 1, six students (two each from Classes VIII, IX and X) will be selected to represent the school in the second round, which is tentatively scheduled between **30 November and 4 December 2026**.

The challenge will comprise questions designed to assess students' scientific understanding, accuracy, speed and higher-order thinking skills. Parents are encouraged to motivate their wards to participate enthusiastically in this enriching academic activity and make the most of this opportunity to develop their scientific aptitude and analytical

Heads of All Schools Affiliated to CBSE

SUBJECT: CBSE Science Challenge 2026-27

Science is an integral part of our everyday lives and helps us understand the world around us. With the objective of fostering scientific temper, curiosity, inquiry and problem-solving skills among learners, CBSE organises the **CBSE Science Challenge** for students of Classes VIII to X, as a student enrichment activity that encourages scientific thinking and promotes higher-order thing skills.

Details of the CBSE Science Challenge

- The Science Challenge activity will be conducted through **two rounds** – within school, and inter school.
- There is **no fee** for students participating in either of the two rounds.
- All students of classes VIII to X in CBSE affiliated schools are eligible to participate in Round One (first stage). **School will be required to register students for this round.** Details for registration are at Annexure - 1.
- For Round Two (second stage), each affiliated school registered in the first stage can nominate, the earlier registered 6 students (best 02 students from each participating class).
- The Science Challenge question set will comprise of a variety of stimulants followed by MCQs. The task for participating students would focus both on speed and accuracy.
- All the participants of Round Two will be issued an online participation certificate by the Board. Appreciation Certificate will be given to best performing students.

All schools are requested to encourage students to participate in the CBSE Science Challenge and inspire learners to think critically, question creatively and solve problems scientifically. For any clarifications, please send an email to cbsesciencechallenge@cbseshiksha.in or call on 011-43354916.

With best wishes!

(Dr. Praggya M Singh)
Prof. & Director (Acad.)

Instructions for Conduct of CBSE Science Challenge - Round 1

(to be organized in schools between 02nd November 2026-13th November 2026)

- The Science Challenge paper (provided by CBSE) must be presented to students in class. Please ensure that there are sufficient teachers on invigilation duty, for fair conduct of this activity.
- The maximum time limit to complete the task is **60 minutes**. This is a power and speed test – i.e. the students would be evaluated on both, accuracy and the time taken to complete the task.
- The teacher (invigilating) should be prepared to monitor time (take note of starting time; make sure instructions are given to students before-hand; make sure all students start at the same time; make note of students who submit the paper before time).
- There is a likelihood that some students would finish the task earlier than the prescribed time-limit. The invigilator needs to take note of such students.

Evaluation

- After students have finished the task, score them as per scoring key provided The Science Challenge assessment criteria include both speed & accuracy.
- Students who are able to answer all the (maximum) questions accurately should be considered first for selection.
- In case there are more students getting the same marks, the students who are able to get the score in less time should get preference for selection.
- Select 6 students (2 each from classes VIII, IX and X) and register them for Science Challenge Round 2 on the CBSE portal: https://cbseacadit.nic.in/sc/
- **Registration for Round 2 will be open from 17th November 2026 to 25th November 2026.**
