SCIENCE TALENT EXAMINATION 2025

We are pleased to announce the 26th International Level Science Talent Examination organized by Putani Vignana - Children's Science Group. The exam will be held on 6th September 2025.

This initiative encourages students to develop a scientific attitude through participation. All participants will receive 3 valuable free gifts, including a curious book on the story of light, a certificate, and a medal award.

Students from **class 1 to 10** are eligible to participate.

Syllabus :

Question paper will contain the questions on science of general nature; the questions will be objective & subjective type.

Question paper contains questions related on student's last year science text book & 30% of questions related to student's present class science text book also.

Evaluation:

- 1) Preliminary evaluation is at school Level (all the papers)
- 2) Secondary Evaluation is at central level (The best Papers in each Class Level of the School)

Entry Fee: Rs. 100/- per student

Last date : July 3 (Handover the amount to your class teacher.)

Let your school be a proud participant in this scientific journey!
